

Chasing cars

[Verse 1]

A E/G# D A
We'll do it all, everything, on our own.
We don't need anything, or anyone.

[Chorus]

A E/G#
If I lay here, if I just lay here
Dmaj7 A
Would you lie with me, and just forget the world.

[Verse 2]

I don't quite know how to say how I feel
Those three words, are said too much, they're not enough.

[Chorus]

If I lay here, if I just lay here
Would you lie with me, and just forget the world.
Forget what we're told, before we get too old
Show me a garden that's bursting into life.

[Verse 3]

Let's waste time, chasing cars, around our heads.
I need your grace to remind me, to find my own.

[Chorus]

If I lay here, if I just lay here
Would you lie with me, and just forget the world.
Forget what we're told, before we get too old
Show me a garden that's bursting into life.

All that I am, all that I ever was
Is here in your perfect eyes, they're all I can see
I don't know where, confused about how as well
just know that these things will never change for us at all.

If I lay here, if I just lay here
Would you lie with me, and just forget the world.

[Outro]
